Financing for the 150-foot Folding Container Project in Bangladesh

Which port will handle 36 percent of Bangladesh''s container volumes?
The Bay Terminal,located in the Anandangar/Sandwip channel,west of the Chittagong port and close to existing road and rail links to Dhaka,is expected to handle 36 percent of Bangladesh's container volumes.

How much did the World Bank support Bangladesh in FY 23-24?
In FY 23-24,the World Bank committed a record $3.4 billionin support to Bangladesh,including this project. The World Bank was among the first development partners to support Bangladesh following the country's independence.

Does Bangladesh need a new port?
In parallel with its robust GDP growth,Bangladesh''s container cargo demand is expected to surge. However,the Chittagong Port,which handles 98% of all container cargo,has only 9.5m depth,and this necessitates the development of a new portthat can accommodate the recent increase in the size of international ships and future cargo demand.
