
12v tool battery price

Does total tools offer power tool batteries?

Total Tools understands that each project is unique, so we provide a wide range of power tool batteries to meet your needs. Whether you're a professional tradesperson or a DIY enthusiast, we've got the right battery to power your tools and keep your projects on track.

What kind of batteries do power tools use?

Power tools often rely on rechargeable batteries, specifically lithium-ion (Li-ion) batteries. Li-ion batteries are popular for power tools because of their high energy density, lightweight design, and ability to deliver steady power output over a charge.

How much does a 12V battery cost at Toolstation?

A wide range of 12V Batteries & Powerbanks at Toolstation from only £3.99 Available in store for collection and for next day delivery.
