# Germany Hamburg Super Aluminum Electrolytic Capacitor

Which series of electrolytic capacitors can we manufacture?

We can now manufacture the following series for you: Series: 100 Technical data: Specification Value RM (Width) 2.5 mm to 80 mm H [...] Aluminum electrolytic capacitors SMD (chip) for surface mounting in general industrial electronics and special electronics such as automotive industry.

What is aluminum electrolytic capacitor SMD (chip)?

Aluminum electrolytic capacitors SMD (chip) for surface mounting in general industrial electronics and special electronics such as automotive industry. Special feature: 150°C / 1,000h SMD design ERST 150°C EN 11-2022

Where are electrolytic capacitors made?

Frolyt has been developing and manufacturing aluminum electrolytic capacitors at its Freiberg site in Germany for 73 years. With 84 employees and an experienced development department, we produce capacitors for the standard application or according to customer-specific requirements.

Who makes Radial electrolytic capacitors?

Jianghai manufactures radial electrolytic capacitor series, which are characterized by their compact design and a large number of possible connection assemblies. With a temperature resistance of up to +135°C and a maximum cup diameter of 25 mm, the durable capacitors offer excellent solutions for many applications.

In aluminum electrolytic capacitors, the anode and cathode consist of highly roughened aluminum foils, whereby the roughened anode foil with the dielectric layer is rolled up between an ...

Aluminum Electrolytic Capacitors (Radial Lead Type) Electric Double Layer Capacitors (Gold Capacitor) Backup Power Supply Modules with Electric ...

The advantages of aluminum electrolytic capacitors that have led to their wide application range are their high volumetric efficiency (i.e. capacitance per unit volume), which ...

Locate Aluminum Electrolytic Capacitors suppliers, manufacturers & distributors in Germany. Interactive map of Germany provided.

Designed for high energy applications, screw terminals aluminum electrolytic capacitors are widely used into the railway, medical, UPS and charge/discharge sectors, praised for their ...

Designed for high energy applications, screw terminals aluminum electrolytic capacitors are widely used into the railway, medical, UPS and ...

Aluminum Electrolytic Capacitors Frolyt has been developing and manufacturing aluminum electrolytic capacitors at its Freiberg site in Germany for 73 years. With 84 employees and an ...

Ampohm Capacitors Choose from the Ampohm range of Aluminium, Tin and Copper foil capacitors (made in England). These supreme low cost caps rival Jensen's Aluminium...

Capacitors and Varistors for Automotive, New Energy, Industrial and Power Supply As the European subsidiary of one of the world's greatest and most successful manufacturers of ...

---

Aluminum electrolytic capacitors Frolyt has been developing and manufacturing aluminum electrolytic capacitors at its Freiberg site in Germany for 73 years. With 84 employees and an ...

85°C and 105°C series with screw and snap-in connections - for maximum performance, low losses and long service life in compact designs.

Aluminum Electrolytic Capacitors: Reliable Solutions from alfatec Aluminum electrolytic capacitors are indispensable components in modern electronics, known for their high capacitance and ...

Exxelia Alcon Electronics is one of the largest capacitor manufacturing companies in India, for screw terminal aluminium ...

The legal representative is Liu Yongpeng. It is a national specialized and innovative "little giant" enterprise that integrates the research and ...

EPCOS Electronics We offer EPCOS's Aluminum Electrolytic Capacitors / Surge Arresters About Us EPCOS AG is a leading manufacturer of electronic components, modules and systems ...

Aluminum Electrolytic Capacitors Frolyt has been developing and manufacturing aluminum electrolytic capacitors at its Freiberg site in ...
