
Honduras solar container communication station inverter energy storage ESS power

What is Sunway ESS battery energy storage system (BESS)?

Sunway Ess battery energy storage system (BESS) containers are based on a modular design. They can be configured to match the required power and capacity requirements of client's application. Our containerised energy storage system(BESS) is the perfect solution for large-scale energy storage projects.

What is a containerised energy storage system (BESS)?

Our containerised energy storage system (BESS) is the perfect solution for large-scale energy storage projects. The energy storage containers can be used in the integration of various storage technologies and for different purposes. For installation manual,technical datasheet,inverter adjustment/testing or configuration,please send us inquiry.

Who owns Amarateca substation?

Six separate companies have submitted bids to build the 4-hour BESS project,and it will be implemented next year after evaluation and award phases are completed,Carbajal said. The Amarateca substation belongs to the National Company Of Electric Energy(ENEE),the country's main utility.
