
Morocco rainproof solar panel manufacturer

Who is SUNQ solar?

At SUNQ, we are a leading distributor of solar panels, BIPV solar modules, and aluminum mounting systems. We also offer a range of inverters, DC accessories, and other solar components to help our clients meet their energy needs.

What brands of solar products do you carry?

We carry top brands such as Jinko and JA SOLAR, ensuring that our customers have access to the best products on the market. BIPV solar modules, or Building Integrated Photovoltaics, are a revolutionary way to generate renewable energy and improve the efficiency of buildings.

Are Q+ solar panels a good choice?

The Q+ system is lightweight, durable, and corrosion-resistant, making it an excellent choice for both residential and commercial projects. With the Q+ aluminum mounting system, you can trust that your solar panels will be securely installed and ready to generate reliable and efficient energy.
