Should I buy a used 20ft shipping container?

If you're looking for a budget-friendly container for static storage purposes, we recommend purchasing a used 20ft shipping container. Used 20ft containers have been retired by the world's shipping lines after around 15-20 years of use.

What is a 20ft shipping container?

Explore why Boxhub's 20ft shipping containers are the ideal storage solution for compact spaces. 20ft containers are designed to carry small volumes of heavy cargo, such as machinery, cement and steel. These qualities make them ideal for the storage of large items--like farming and construction equipment--or for re-use as the frame of a modular home.

The container shipping costs can vary with a 20 ft and 40 ft container type. Here is the table for consumers to analyze the approximate expense of moving container shipment.
