
Single supercapacitor manufacturer in Gothenburg Sweden

How is Gothenburg shaping the new battery industry?

In Gothenburg we are shaping the new battery industry. In the coming years Gothenburg and West Sweden will have in place two battery gigafactories, with major investments being made by public and private actors, including Volvo Cars and the Volvo Group. The region is set to become an important hub for both battery development and production.

How is Gothenburg reskilling the battery industry?

Reskilling and upskilling initiatives for the region's new battery industry are also underway. Among them is a unique education and training centre which has opened in Gothenburg, specifically for the battery value chain. Around 7,000 people will be trained in state-of-the-art facilities between 2024 and 2029.

What is the global supercapacitor market?

Supercapacitors, also known as ultracapacitors, are becoming a critical component in modern energy storage solutions. According to Statistiska MRC, the Global Supercapacitor Market is accounted for \$5.08 billion in 2024 and is expected to reach \$11.16 billion by 2030 growing at a CAGR of 14.0% during the forecast period.

Who makes snap-in supercapacitors?

Founded in 1944 and headquartered in Kyoto, Japan, Murata Manufacturing Co., Ltd. specializes in electronic components including capacitors, sensors and power supply modules counting among the world's largest component makers with over \$5 billion in revenues. Their lineup of snap-in supercapacitors includes: Supercapacitors for Memory Backup

The leading Supercapacitor Manufacturers in Sweden are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their product ...

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, ...

Developer, manufacturer and provider of high-efficient battery chargers, battery systems and power converters for industrial sectors.

CDE has earned its name in the list of the top 7 supercapacitors manufacturers in the world. CDE offers one of the world's broadest selections of aluminium electrolytic ...

Micropower is a leading manufacturer and distributor of battery systems, particularly modular Li-ion batteries and chargers. With a strong global presence, they supply over 900,000 battery ...

Skeleton Technologies is the world's leading manufacturer of graphene-based supercapacitors. Rebuilding industry for a net-zero future.

19 Supercapacitor Manufacturers in 2025 This section provides an overview for supercapacitors as well as their applications and principles. Also, please take a look at the list of 19 ...

Our origins lie in Gothenburg, Sweden, a city known for its thriving innovation and technology sector, home to numerous active companies. The success of our business relies ...

Ensuring skills supply for a sustainable battery industry With 120,000 employees, Gothenburg's county

accounts for 20% of Sweden's ...

Summary of cost of living in Gothenburg, Sweden: The estimated monthly costs for a family of four are 4,006.2\$ (38,328.9kr), excluding rent (using our estimator). The estimated monthly costs ...

Sweden chemical companies, chemicals manufacturers, chemicals suppliers, chemicals ltd and chemicals companies directory for lookchem

EDLC Supercapacitor High performance Activated Carbon Supercapacitors (EDLC) single cell capacity upto 4500 Farad and ...

Explore the top 7 supercapacitor manufacturers that are leading the way in energy storage innovation. Discover industry leaders, cutting-edge technologies, and their global impact.

This article profiles the top 10 global supercapacitor manufacturers providing state of the art ultracapacitor cells and modules ...

Our origins lie in Gothenburg, Sweden, a city known for its thriving innovation and technology sector, home to numerous active ...

List of supercapacitor companies, manufacturers and suppliers in Sweden
