# Solar lights hanging outdoors

What are solar lantern hanging candle lights?

Solar lantern hanging candle lights are charming and practical outdoor lighting fixtures that add a warm, ambient glow to your garden, patio, or outdoor living space. They are designed to resemble traditional lanterns but are powered by solar energy, making them an eco-friendly and low-maintenance lighting option.

Can solar lanterns be used outside?

**WIDELY APPLIED:** Outdoor hanging solar lanterns are not only a great addition to houses, gardens, backyards and patios, but also perfect for Halloween lights and Christmas lights, which can create a wonderful holiday atmosphere. Wonderful outdoor landscape lighting decorations for your garden, patio, backyard, lawn, trees, trails, yard and parties!

How do I choose the best solar hanging lights?

It's best to place solar lanterns in direct sunlight during the day to ensure they are fully charged for the night. As promised, we've walked you through everything you need to know to choose the perfect solar hanging lights for your outdoor space. Here's a quick tip: check out the TomCare Metal Flickering Flame Solar Lantern.
